The Ace 250 comes with Garretts ALL NEW PROformance 6.5" x 9" searchcoil. The ALL NEW 4.5" Ace sniper searchcoil is now available for the 250, Great for finding smaller, shallower targets in trashy confined areas. The 9" x 12" PROformance coil is also now in stock at Regton, This larger coil will allow the Ace 150 and 250 to search deeper and cover more ground per sweep

Announcing the ALL NEW, features loaded, Ace 250 metal detector. With 40 years of engineering prowess behind it and a head-turning sporty, outdoor design, this machine was made to perform for the 21st Century treasure hunter, but don't be fooled, this detector doesn't win in its class on looks alone! It's as new on the inside as it is on the outside. Loaded with full range notch discrimination, pinpoint feature, graphic target ID, excellent detection depth and Touch & GO technology, the Garrett Ace 250 is the finest metal detector in its class. It also comes with graphic target ID cursors with 12 element GTA notch discrimination for greater accuracy, continuous coin depth indication, Tone ID 8 sensitivity settings, 5 pre set hunting modes and of course, the most advanced LCD graphic screen for quick and easy visual target ID!

Whew! Need we go on?
